Implementation schedule - Gantt chart example

Please outline the implementation schedule graphically in one or more Gantt charts.

In order to enable the reviewers to evaluate the adequacy of the costs, please summarize the estimated costs for each measure in this chart.

The following Gantt chart provides a simplified example. Please add a figure legend if appropriate.

		Year 1				Year 2				Year 3				Year 4				Year 5			
Description	Costs in Mio. EUR	Q1	Q2	Q3	Q4																
Measure 1	0,7																				
Work package 1.1																					
Work package 1.2																					
Work package 1.3																					
Work package 1.4																					
Milestone 1.1																	•				
Measure 2	2,5																				
Work package 2.1																					
Work package 2.2																					
Milestone 2.1														•							
Measure 3	3,0																				
<u>Total costs</u>	<u>6,2</u>
